THE WESTERN SLOPE INSTITUTE

RE-DESIGN   RE-IMAGINE   RE-GENERATE

YOUNG ADULT
PatternWeaver Life Coaching Course

COLLEGE - CAREER - LIFE

IS THIS COURSE FOR ME?

Unsure about what steps to take next in life after high school or college graduation?

Searching for a unique identity and have questions about your purpose, values, and passions?

Examining the effects of climate change, political division, and technology overload?

Wanting to become clear about future educational or work environments while making a difference in the world and need help getting there?

Have a desire to become a more resilient person who can adapt to and overcome challenges in life?

Interested in engaging in sustainability projects to learn valuable skills?

join the
[re] GENERATION

OUTCOMES

Identify the themes and patterns in your life

Discover your passions and talents, and begin utilizing them as the blueprint to design your life

Develop lifelong skills and strategies to apply every time you encounter a challenge in life

Foster a greater appreciation of nature and increase your systems thinking skills to enhance your life

Uncover limiting beliefs that may be interfering socially, academically, and career wise

Dramatically increase the quality of your relationships

Learn Regenerative and Sustainability Design Skills

REMOTE   ∞   8 WEEKS
